These new premiums are presented in the table below. The Fairtrade Premium is paid in addition to the commercial price. The Fairtrade Prices and Premiums are also available in the Fairtrade Minimum Price and Premium Database on our website under <http://www.fairtrade.net/price-and-premium-info.html>.

¹ **Ex Works** means that delivery takes place when the seller places the goods at the disposal of the buyer at the premises of the seller or another named place (works, factory, warehouse, etc.) not cleared for export and not loaded on any collecting vehicle.

Free on Board (FOB) means that the seller delivers when the goods pass the ship's rail at the named port of shipment. From that point forward, the buyer has to bear all costs and risks of loss or damage to the goods. Under FOB terms, the seller is required to clear the goods for export.

² For further details on existing prices for other origins or other related products, please refer to the database on our web site under <http://www.fairtrade.net/price-and-premium-info.html> or contact the Project Manager directly.
